IMPORT TRADE CONTROL

New Delhi, the 19th August 1965

SUBJECT.—Imports from U.S.A. under US AID Loans No. 217, 082, 103 and 157—
Certificate of U.S. source and origin.

No. 69-ITC(PN)/65.—Attention of the importers is invited to Public Notice No. 73-ITC(PN)/64 and 74-ITC(PN)/64 both dated the 2nd September, 1964, and Public Notice No. 76-ITC(PN)/64 dated the 14th September, 1964 regarding the revised form of certificate of U.S. source and origin (copy attached). It has been made clear therein that this certificate is applicable in respect of all orders placed on or after 1st October, 1964. The importers were requested to ensure that, while furnishing the prescribed documents to the Ministry of Finance (DEA), New Delhi (for the purpose of claiming reimbursement from AID, Washington of the foreign exchange cost of the imports effected by them) the relevant invoices are invariably accompanied by the certificate of source and origin duly filled in and signed by the suppliers. It is noticed that this requirement is not being complied with in many cases and documents are being sent to the Ministry of Finance without these certificates. Even where these certificates have been furnished, it is found that the suppliers are not filling in the applicable AID Geographic Code number in the two blank spaces provided for the purpose. In the absence of this certificate of U.S. source and origin complete in all respects, the Ministry of Finance

are not able to obtain from U.S. AID, Washington reimbursement of foreign exchange already remitted from the Government's free resources. The Ministry of Finance are, therefore, compelled to enter into protracted correspondence with the importers for rectification of the deficiencies.

2. It is notified for the information and guidance of all concerned that the applicable AID Geographic Code number to be inserted in the two blank spaces of the certificate of U.S. source and origin is "000". The importers should immediately review all orders placed by them on or after 1st October, 1964 against licences issued under AID programme and inform the suppliers concerned *forthwith, if not already done*, of the imperative need to furnish alongwith the other prescribed documents, the certificate of U.S. source and origin in the attached form, duly filled in, including the AID Geographic Code number as indicated above. They should also advise their bankers to amend the relevant letters of credit already opened, so as to provide *specifically* for the furnishing of the said certificate of U.S. source and origin by the supplier, duly completed in all respects, if not already done.

3. In cases where the imports have already taken place and the certificates of U.S. source and origin as in the attached form have not been furnished, the importers should immediately get in touch with the suppliers, obtain the certificates and furnish them to the Ministry of Finance (E.A.D.), New Delhi *within two months from the date of issue of this Public Notice*.

4. The importers are hereby requested to note that serious notice will be taken of any infringement of the conditions of this Public Notice.
